Communications

Email communications between Omar and Rob Faley from VTrans regarding CovergaCo installation at Hartwellville State garage. Omar sent him documents from CoverageCo for review.

Old Business

- A) Discussion on SVBC project, Omar attended their meeting on 4/12. Still on track for install this summer, Omar and SVBC reviewed list of potential customers to be affected by this project. Omar will continue to attend the SVBC meetings as needed.
- B) Discussion on potential FairPoint project for North Hill area. Still no decision on grant awards from VT DPS Connectivity Advisory Board.
- C) Discussion on Hartwellville expansion of the CoverageCo system. Still pending approvals.
- D) Discussion on testing for Cell signal around town. Omar found web site that explains how to use your cell phone to measure “db” of signal at various locations. Will try to use that for more detailed testing.
