

Readsboro Planning Commission
Minutes of Thursday, May 24, 2018
6:00 PM at the Old Village Office
Draft Until Signed Below

Present: Eunice Crowell, Susan Bailey

Meeting called to order by Chair at 6:03 PM

Review of April 26, 2018 Meeting Minutes; motion made by Eunice, seconded by Sue, approved.

Old Business:

AARP grant – Much more complicated than expected and will plan for this grant next year. This grant application requires a considerable amount of information and PC felt we wouldn't be successful at this time do to the close deadline. PC will plan to meet with Selectboard when we begin working on the application next year.

No further discussion on the WRC Energy Plan. PC will revisit once we have the updated maps and a meeting with the Selectboard.

Eunice reviewed draft regarding Education Section of the Town Plan. Chair will clean it up and will include in draft.

New Business:

A special Town Meeting is scheduled regarding use of funds from the Windmills – uncertain what the real issue is since there was a vote at the March 2018 Town Meeting regarding these funds.

Acting Zoning Administrator has no issues.

There being no further business, Sue made motion to adjourn, seconded by Eunice. Meeting adjourned at 6:55 PM

Respectfully submitted,
Susan Bailey, Chair
