Chapter 5 draft forwarded to John at WRC.

**New Business:**

Public Hearing Minutes (regarding Petition for Repeal of the Bylaw) were not available at the time of this meeting. Chair will follow up. A draft of the Response of that Public Meeting was presented to the other Commissioners for their review and comment. When finalized, the document will be sent to the Selectboard for their action and determination of next steps.

Jeff Nugent of WRC has contacted the Planning Commission and Selectboard regarding trails/natural resources and reviewing potential for economic development. Chair and Administrative Assistant will be meeting with Jeff for some preliminary approaches. Jeff is working on some mappings for this meeting. This is a first meeting.

The Public Service Board contacted the Chair regarding the Windstar Turbine Project (more information can be found at [Jasonday@windstarturbines.com](mailto:Jasonday@windstarturbines.com)) off of Bailey Hill Road for comment. Larry asked how this was going to operate and its purpose. From the information we have it is to be a site that individual can visit to investigate potential use.

A brief discussion followed on setting up time for the Planning Commission, DRB and Selectboard to review meetings and board activities and processes.

There being no further business, a motion made by the Chair and seconded by Eunice to adjourn at 7:34 PM, all in favor, so moved.

Respectfully submitted,

Susan Bailey
