

Readsboro Planning Commission  
Minutes of Thursday, June 28 2018  
6:00 PM at the Old Village Office  
Draft Until Signed Below

Present: Eunice Crowell, Susan Bailey

Meeting called to order by Chair at 6:00 PM

Review of May 28, 2018 Meeting Minutes; motion made by Eunice, seconded by Sue, approved as written.

Old Business:

Special Town Meeting was held to discuss Articles regarding use of fund for town owned buildings/Town Garage/Town Office operations and other town buildings. Only 39 people attended the meeting. Articles regarding moving monies from an already voted on sum for Town Buildings and for building a Town Garage were defeated. Discussion was lively but in the final analysis it was decided that the Selectboard should form a Finance/Town Buildings Committee and encourage participation from all those impacted by the results. Selectboard agreed and will call interested parties together to begin new discussion on the above issues. Planning Commission will participate in these meetings.

Completed review of designated 2010-2015 Action Plan (did not update these in the Adopted Plan).

New Business:

Position statement with WRC/Regional Energy Plan – we will write this when next draft of Energy Plan with new mapping is available.

Acting Zoning Administrator has no issues.

There being no further business, Sue made motion to adjourn, seconded by Eunice. Meeting adjourned at 7:00 PM

Respectfully submitted,  
Susan Bailey, Chair
