

Readsboro Planning Commission
Minutes of Thursday, April 26, 2018
6:00 PM at the Old Village Office

Present: Eunice Crowell, Susan Bailey, Acting Zoning Administrator, Helyn Strom Henriksen

Meeting called to order by Chair at 6:10 PM

Review of March 15, 2018 Meeting Minutes; motion made by Eunice to accept as emailed, so approved.

New Business:

AARP grant – Sue had offered to work on the grant but Eunice offered to take it and look it over. Suggested project would include a couple of benched picnic tables or two with some landscaping and a couple of small trees. Not sure if this is doable at this time.

Chair stated that we could use a couple more alternates for the Development Review Board. And need a clerk.

Position statement put on hold for now regarding WRC/Regional Energy Plan. WRC is working on updating maps for each town and may need to make more revisions to the plan based on the maps.

Discussion on primitive camps from last meeting, Sue reviewed the Zoning Bylaw and under “Conditional Use” we could use the State of Vermont specified requirements until the Zoning Bylaw is revised and updated.

Education Section of the Town Plan second draft and finalize at next meeting.

Acting Zoning Administrator has no issues. Asked about the Carrier Application and she was satisfied with its content. Self Storage unit is temporary.

There being no further business, Sue made motion to adjourn, seconded by Eunice. Meeting adjourned at 6:45 PM

Respectfully submitted,

Susan Bailey, Chair
