

TOWN OF READSBOR VERMONT
RULES AND REGULATIONS FOR THE NUMICIPAL CEMETERIES

As amended and re-adopted on June 10, 2010

PURCHASE OF LOTS AND GRAVES

1. Persons desiring to purchase a lot or single grave in any one of our cemeteries are referred to the Cemetery Sexton. The Sexton will have available suitable plots showing location, size, and price of lots and single graves and such other information as may be required and will be pleased to render assistance to those desiring to make lot or single grave purchases. Upon making a selection, the purchaser will be issued a Lot Order after making the necessary financial payments prescribed within these rules and regulations.

OWNERSHIP AND TITLE OF LOTS AND GRAVES

2. The terms "lot owner", "grave owner" or "ownership" shall be interpreted to mean the right to use a lot, part of a lot, or single grave, as purchased from the regulations as prescribed by the Town for such use.

3. Upon Full payment of the purchase price of a lot or grave, the Town will issue a Cemetery Deed under its seal, and the deed will be recorded in the records of the Town Clerk, as evidence of ownership of the lot.

4. Lots of fractional lots, for which lot deeds have been issued by the Town, will not thereafter be divided or transferred except by consent of the Cemetery Sexton and the Cemetery Commission.

5. The Town reserves the right to resell unused portions of lots that are not paid for as specified in these rules and regulations.

6. All burial rights in cemetery lots purchased from the Town occupy the same position as real estate at the death of the owner or owners. Only such persons as names appear on the Cemetery records of the Town will be recognized as owners or part owners of the lots. In case of the death of a lot owner, when the cemetery lot is disposed of by will, a certified copy of the will must be delivered to the Town Clerk's office before the Town will recognize the change in ownership.

7. The title to a cemetery lot invests in the owner the right to use such lot for burial purposes only for themselves, their heirs, or for any such person as they may choose to admit, provided such admission is free of charge and in accordance with the Cemetery Rules and Regulations.

CARE OF TOWN CEMETERIES

8. Revenue received from lot sales shall be replaced in a Trust Fund. Interest from said Trust Fund shall be used toward maintenance of the cemeteries of the Town of Readsboro.

PRIVILEGES AND RESTRICTIONS

9. Each lot in the cemetery will, prior to its sale, be suitably marked by the Town with iron pins placed on each lot corner and set level with the Ground, at the expense of the purchaser.
10. All landscaping, care of lots, and other work in the Cemeteries will be done by the town, but it is desired that each lot owner feel free to consult with those in charge of the Cemeteries at all times. Their advice and assistance will be cheerfully given (without charge) and may be of great value to those contemplating lot improvements.
11. The Cemeteries reserves the right for its workmen and those necessary persons to the performance of normal cemetery operations to enter upon or cross over any lot in the Cemeteries in performance of such duties.
12. The Town, in the performance of its normal operation, assumes no liability for damages from any cause whatsoever, or loss by vandalism or other acts.
