

# EXCITING NEWS!

HIGH-SPEED, COMMUNITY-OWNED  
FIBER INTERNET IS COMING TO YOUR AREA!

## DVFIBER

DVFiber, southeastern Vermont's community-owned broadband provider is in the construction phase of building new high-speed internet infrastructure. If you see technicians surveying the area, don't be alarmed! They are working hard to bring much needed broadband to the region as soon as possible.

## WHY FIBER INTERNET?

- Fast, reliable, no buffering during peak hours
- Best value for your money
- Best connection available
- More reliable than copper
- Fiber will not degrade over time
